

## RIDING THE BUS (PLEASE KEEP AT HOME FOR REFERENCE)

In the interest of safety, we ask all students and parents to cooperate by following these rules:

- Students must be at their designated bus stop at least five minutes prior to the scheduled time for both departure and return.
- The bus leaves the stops at the scheduled time, which means all students need to be on the bus and seated at the scheduled departure time.
- When boarding a bus, students must go directly to a seat, **remain seated and buckle up** until the bus comes to a complete stop.
- Students are to face forward, sit up, and keep hands and feet to themselves and out of the aisle
- Students must never put any part of their bodies out the windows.
- The bus driver's directions **MUST** be obeyed promptly.
- Loud talking or other noises that might distract the driver are not allowed.
- Students who do not follow bus rules may be subject to losing bus privileges.
- Behavior and language should be school appropriate. Use of foul language will result in losing bus privileges.

**Parents, thank you for giving at least 10 feet in front or in back of the bus.** It is imperative that the bus driver be able to have a clear line of vision all the way around the bus for everyone's safety. Please be aware of your parking with regard to how children need to enter or exit the bus. Enough room for children to walk easily and still be seen is essential.

Parents are expected to meet students as they get off the bus. Younger students (below grade 4) should be escorted by an adult to and from the bus steps, **especially in bad weather.**

Bus riders will be taken to their designated bus stop unless written notification from a parent, requesting otherwise is given to the office. Please no last minute bus stop changes! ***Please be on time to pick up your students!*** Students will not be left at the stop if there is no parent to pick them up. If, at the last stop (3<sup>rd</sup> and 9<sup>th</sup>) there is no one to pick up the student, the bus driver will call and let the school know there is a student who has not been picked up. The school will make every effort to reach everyone listed on the bus rider agreement/emergency card to pick up your student. Please note – the school is charged \$38.00 per hour for late pick-ups. Parents may be charged. The bus driver may also have another pick up to do for another school. If they do not make their time frame, the bus driver loses his trip and therefore his income. Students left for long periods of time will be taken to the Upland Police Department until such a time that the parent can pick them up.
